What are the benefits of living on campus?

There are so many great reasons to choose to live on campus at Hartpury.

Close to the facilities

Be at the heart of our vibrant Hartpury community. Living on campus means you're never more than a few minutes' walk from your lectures, practical sessions or favourite hang-outs. Whichever subject is your passion, you'll have the very best facilities at your fingertips. From our commercial farm, Equine Centre and Sports Academy to our 70-species animal collection, modern classrooms and labs, we've got everything you need to succeed. Our College Learning Centre (student library) will be your go-to space to get your head down and immerse yourself in your studies.

Feeling hungry?

When you're ready for a well-earned break, there are plenty of food outlets located across campus. This includes our restaurants, Graze and The Feed Room – you can get a bite to eat, meet friends for a coffee or enjoy working in a flexible new space.

Turn to page 20 to find out more.

Your space to relax

Your main hangout will be your Heroes Lounge. With a pool table, Sky TV, table tennis, table football, game consoles and DVDs, it will become one of your favourite spots to spend time with friends.

Students who live within a certain radius, and are able to travel in daily, will not be considered for accommodation until 31 August 2024. We offer priority booking to certain groups. Find out more on page 6.

Great transport links

Living on campus, you'll have everything you need on your doorstep. For those times that you fancy getting out and exploring the local area, there are plenty of transport options.

There's a shuttle bus which stops on campus and takes students in to near by Gloucester (charges apply). If you need a cab, you can jump into an Andy Cars taxi, who's drivers are all DBS checked, and get a discounted student rate. This is great for an evening out or a day trip into town.

Whenever you feel like a trip, you're well connected.

We offer transport to and from Hartpury for those living nearby and off site

Who can live in Hartpury accommodation?

At Hartpury, you'll be part of a close-knit community that we like to think of as the #HartpuryFamily. Living away from home for the first time might be daunting, but it's a fantastic way to meet new friends, gain confidence and independence, and get the most out of your college experience.

You're eligible to apply if you're studying an A-level or level 3 diploma course. If you live close enough to travel in daily on either public or Hartpury transport, your accommodation will be allocated after 31 August 2024, and only if rooms are available.

We do receive a high number of applications for accommodation. To ensure we allocate rooms fairly, we give priority to the following groups:

- Students studying land-based courses including Animal Management
- Students who have a horse on campus (on-site livery)
- Students who play first team sport with one of our Sports Academies
- International students
- Students on a recognised two-year course returning for year two

FAQs

We've put together a list of our most frequently asked questions to help you get prepared.

What happens to my holding deposit?

When you take up the accommodation offered, the £130 holding deposit will form 50% of the damage deposit. When you enrol in September a further payment of £130 will be taken. The total damage deposit is £260.

Can I cancel my room booking?

If your room cancellation occurs before 28 June 2024, your holding deposit will be refunded. If the room cancellation occurs on or after 29 June 2024 there will be no refund of the holding deposit, unless the cancellation is due to Hartpury not offering you a place on a course.

How do I pay for my room?

You'll be issued one invoice for the year which is payable by recurring card payment. Instalments are either at the start of each term (three instalments/year) or monthly from October to May (eight instalments/year). Payments at the start of each term will be for the number of weeks in the term.

How will I know you have received my application?

You will receive a notification when you submit your application. This confirms we have received it and what your next steps are.

When do I have to leave my room?

You'll be asked to leave your room for the Christmas holidays. During these times you may be asked to clear your room of all belongings. You can stay in your room for half term and Easter although most students go home.

What are self-study weeks?

You'll have a self-study week during the October and February half-term. You can go home and rest or stay on campus to play sport or do that extra bit of studying. If you're an international student you're welcome to stay here for the week. If you choose to go home, you can leave all your belongings in your room to make things easy.

How do I wash my clothes?

We have laundry facilities on campus. Current prices are £2.40* for a wash and £1 for a tumble dry. You'll access this using an app on your smartphone.
